BE IT RESOLVED BY I MINA'TRENTAI SIETTE NA LIHESLATURAN GUÅHAN:

WHEREAS, it is the sense of I Liheslaturan Guåhan to commend members of the community whose diligent service has considerably contributed to the well-being of the public; and

WHEREAS, Ronnie H. Rogers was born in Clayton, Georgia and married Maryanne Rogers; and

WHEREAS, Ronnie began his career in 2011, serving as the Cultural Resources Manager under the Naval Facilities Engineering Systems Command (NAVFAC) Marianas Defense Policy Review Initiative (DPR) Program Management Office, Marine Corps Activity Guam and Marine Corps Base Camp Blaz (MCBCB); and

WHEREAS, Ronnie's performance as Cultural Resource Manager and Team Leader of the NAVFAC group won the "2021 Secretary of the Navy Cultural Resources Management Individual/Team" Award; and

WHEREAS, Ronnie also supported the critical Office of Local Defense Community Cooperation plan to Congress leading up to the authorization to fund the \$12M Guam Cultural Repository. He has presided over the development of methods with Guam State Historic Preservation Office (SHPO) that has saved the Department of the Navy (DON) at least \$10M worth of avoided time delays; and

WHEREAS, Ronnie nurtured relationships with the Guam SHPO while a remaining firm with determinations that are critical to Guam DPR progress on Guam; and

WHEREAS, Ronnie has mentored at least five (5) archaeologists that have worked on the Guam DPR program over his NAVFAC career, and his leadership has spurred others to develop innovative work process solutions that have made consultations less time-intensive; and

WHEREAS, through Ronnie's dedication, the Sabanan Fadang Burial Monument and Crypt, the newest symbol of the DON's respect for Guam cultural heritage and respect for indigenous CHamoru ancestors, was dedicated in the presence of the Governor of Guam, the Government of Japan and DON leaders preceding the reactivation ceremony of MCBCB; and

WHEREAS, Mr. Rogers' legacy will live on in the great wealth of cultural and archaeological knowledge that has been obtained as a result of his management efforts, both in the historical record and the artifacts now held in GovGuam's new cultural repository. The totality of the knowledge gained has changed our understanding of CHamoru settlement and utilization of resources on Guam's Northern Plateau in prehistoric times; and

WHEREAS, Ronnie's distinctive accomplishments and impressive devotion to duty reflects great credit upon NAVFAC Marianas, the United States Navy and Marine Corps team, and the Department of Defense; and

WHEREAS, Ronnie has done tremendous work, ensuring the People of Guam's cultural interests have been upheld from the inception of the Marine relocation to Guam; now therefore, be it

RESOLVED, that I Mina'trentai Siette Na Liheslaturan Guåhan does hereby, on behalf of the people of Guam, recognize Ronnie H. Rogers on his retirement; and commend him for his twelve (12) years of service to the Naval Facilities Engineering Systems Command (NAVFAC); and be it further
